Fort Gratiot Middle School Annual Education Report (AER) Cover Letter

April 22, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Fort Gratiot Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Alycia Shagena for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/rmS2Ue> or you may review a copy in the main office at your child's school.

Fort Gratiot Middle School consistently outperforms the state and district averages in proficiency on most state tests. The key challenges we face, based on state assessments, are science proficiency and 8th grade math proficiency. Gaps in proficiency also exist in our students that are economically disadvantaged and our students with disabilities. The district is aligning curriculum in science and evaluating instruction to ensure rigor. In math, the underperforming students are enrolled in math remediation and intervention programs. Students that require additional instructional time in math are also assigned to math teachers during an intervention period. Again, offering intervention for math and reading during the school day is addressing the gaps with the economically disadvantaged students. Gaps related to students with disabilities are being addressed with IEP evaluations and accommodation tracking.

State law requires that we also report the following additional information.

Pupil Assignment Process for the 2014-15 and 2015-16 School Years

Students in the Port Huron Area School District are assigned and enrolled as follows:

Students are assigned to schools based on outlined attendance areas. Kindergarten through 5th grades are assigned to one of our 10 elementary schools - Cleveland, Crull, Edison, Garfield, Indian Woods, Keewahdin, Kimball, Michigamme, Roosevelt and Woodrow Wilson. Students in grades 6, 7 and 8 are similarly divided among Central Middle School, Fort Gratiot Middle School and Holland Woods Middle school. Port Huron High School and Port Huron Northern High School serve students in grades 9 through 12.

We will *advocate* for our students and families in partnership with our community to assure their success inside and outside of school; continuously *innovate* our practices and programs to improve student achievement; and *educate* in ways that are relevant, relationship driven, and rigorous.

Port Huron Area School District has a Michigan Great Start School Readiness Program grant funded pre-school instruction for early childhood students in several elementary buildings. The district also supports an Early Childhood Special Education program for qualified 3-5 year olds. Students in pre-Kindergarten programs are assigned based on enrollment in each program based classroom.

The Port Huron Area School District has a policy and process in place for both in- district and county/contiguous Schools of Choice requests. Copies of the policy and procedures are available on the district website (<http://www.phasd.us/district/enrollment>), at each school, and at the administration building.

Specialized Schools and Alternative Education

- Harrison Center offers an alternative high school program, credit recovery, adult education, and an Education Continuity Program for expelled students.
- St. Clair TEC offers countywide career and technical training to high school students.
- Woodland Developmental Center serves students with severe learning disabilities to age 26.

Status of Our School Improvement Plan (3-5 Year Plan)

Fort Gratiot Middle School has been making progress towards the school improvement goals. We have been implementing the strategies to meet proficiency targets. Multi-tiered systems of support, data analysis, and other strategies as listed in the school improvement plan and being implemented and monitored.

Core Curriculum 2014-15 and 2015-16 Academic Years

The core academic curriculum is the foundation of the Port Huron Area School District's instructional program. It defines the outcomes to be achieved by all students and is based on the District's educational mission and goals. The District's purpose is to enable students to meet or exceed state requirements for achievement, with an ongoing emphasis that encourages academic excellence for all students.

Our curriculum is based on the [Michigan Academic Standards](#) approved by the State Board of Education. As part of the core instruction, curriculum is aligned and written to support the implementation of the state expectations. It has been developed and

written by Port Huron Area School District teachers, administrators and consultants who specialize in curriculum development. Curriculum for the core courses in reviewed

We will *advocate* for our students and families in partnership with our community to assure their success inside and outside of school; continuously *innovate* our practices and programs to improve student achievement; and *educate* in ways that are relevant, relationship driven, and rigorous.

annually. Revisions and adjustments are made as needed in order to ensure appropriate alignment and pacing. You may contact your child’s school or the Instructional Services Department to review a copy of the core curriculum for a particular grade.

A balanced assessment system is also a core part of the curriculum. Assessments are given in the core curriculum to monitor student progress toward grade level expectations. Measures of Academic Progress (MAP) testing from NWEA provides a measure of student growth in reading, grammar, and math as well as tools with which to support classrooms and individual students.

Fort Gratiot staff will continue to analyze data and assess our programs to ensure that we are offering each student personalized instruction based on their needs. We are proud of our academic achievements at Fort Gratiot Middle School and will continue to raise the expectations in the classroom and rigor of our instruction.

Sincerely,

Alycia Shagena
Principal, Fort Gratiot Middle School
